MOUNT INSTRUCTIONS
RaceME Mount Kit

1. Locate the lower A Pillar Grab Handle Bold Cover

2. Gently remove the cover by pulling firmly

3. Remove bolt with 10mm socket

4. Slide Ball Mount through the shell and install using the supplied m5x1.0 Bolt. DO NOT OVERTIGHTEN.

5. Push the monitor mount on the ball mount and tighten the cinch nut.

6. Monitor can now be installed in its permanent home.
